QUALIFICATIONS AND EVALUATION

QUALIFICATIONS REQUIRED:

Applicants must meet the following basic requirements:

1 year of specialized experience equivalent to the next lower grade level.

SPECIALIZED EXPERIENCE: Experience that equipped the applicant with the particular knowledge, skills and abilities to perform successfully the duties of the position, and that is typically in or related to the work described in this announcement under "major duties". Examples of such experience is working as a quality control manager of a complex designed to support an automated videotape television broadcast system.

HOW YOU WILL BE EVALUATED: Once the application process is complete, a review of your application will be made to ensure you meet the job requirements. Your resume and supporting documentation will be reviewed under merit promotion procedures and compared to your responses to the KSAs (as applicable) to determine if you meet the minimum qualifications for this position.

DIRECTIONS FOR COMPLETING KSA STATEMENTS: Consider what in your education and experience background best reflects your possession of each knowledge, skills, and ability (KSA). For each KSA, provide a clear, concise statement demonstrating your possession of the KSA as it relates to the position for which you are applying. Your statements should illustrate the degree to which your background has equipped you with each KSA, reflecting the scope and depth of your knowledge, skills, or ability and your level of responsibility. You may refer to paid or volunteer work, education or training, or any other applicable experience.

KNOWLEDGE, SKILLS, AND ABILITY FACTORS: Relative numerical values equate to a total of 30 points.

1. Demonstrated experience as a operations and quality control manager of a fully automated videotape television broadcast system. Familiarity with automation requirements and the ability to create automation barcode labels/tags used to identify videotape/media sources. Ability to transfer/ingest archive material into fileserver based equipment. Must have the knowledge and ability to maintain computerized databases used to track all program material in the video library. (8)
2. Ability to multi-task in order to insure materials for daily programming are collected and delivered in a timely manner. (2)
3. Demonstrated experience in and an understanding of TV signal measurement. Ability to make the appropriate measurements utilizing sophisticated test instruments such as wave form oscilloscopes and vector scopes to analyze, correctly set up and manage incoming, outgoing and internal distribution of the TV signals. (8)

4. Demonstrated experience as a videotape operator/editor with both analog and digital systems. Must have working experience with NTSC, PAL and SECAM broadcast standards and be able to make technically correct videotape duplications into these standards. (6)
5. Ability to communicate orally, in writing and by computer as required for equipment maintenance reports, technical operations reports, accessing studio facility requests databases and for general communications via e-mail. (3)
6. Demonstrated working knowledge of a wide range of complex television systems, router systems (Nvision, Grass Valley, etc.) including analog and digital video switchers, audio equipment, character generators, videotape recorders, studio cameras, remotely controlled robotic camera systems, digital video effects systems, satellite receivers, automation systems (familiarity with Harris ADC-100 automation and others), video fileserver systems (Omneon Spectrum Media Server, Appella, EVS, Letich, etc.) and associate technical systems. (3)

The submission of statements addressing the Knowledge, Skills, and Abilities (KSAs) listed above is **highly encouraged** so as to assure that your relevant experience for the position for which you are applying is clearly articulated and geared towards each KSA element. KSA statements should be clear, concise examples of your experience that shows the depth of your knowledge, level of skill or the degree of your ability related to the individual KSA elements.

If you do not submit KSA statements, your relevant experience will be gleaned from the information affected in your application or resume **only** in order to evaluate your credentials against the KSAs. Please note however, that failure to submit KSA statements may result in lower scores being assigned during the evaluation process, in comparison with other candidates who submit targeted KSA statements.
