BILLINGS -- The Bureau of Land Management is seeking nominations for positions on its Resource Advisory Councils in western Montana, central Montana, and eastern Montana.

Nominations should be submitted to the appropriate BLM field manager by March 27. A completed background information form (including specification of nomination category) and letter of reference from represented interests or organizations must be included for each nominee. The background information form is available on the internet at www.mt.blm.gov.

The Federal Land Policy and Management Act directs the Secretary of the Interior to involve the public in the planning and management of the public lands administered by the BLM. The Department of the Interior established the RACs in 1995. "The RACs have been very effective partners in helping resolve public lands issues that affect Montanans' quality of life," said BLM Acting State Director Howard Lemm.

Each council has 15 members who serve staggered terms. The terms of five members from each RAC expire in September 2006. Council membership must reflect a balanced representation of the various interests and users of the public lands. These include persons who represent the following categories:

Category 1 - holders of federal grazing permits; energy and mineral development; timber industry; transportation or rights-of-way; off-highway vehicle use; or commercial recreation;

Category 2 – nationally or regionally recognized environmental organizations; dispersed recreation; archeological and historic interests; or wild horse and burro groups; and

Category 3 - elected state, county or local government; employees of state agencies responsible for management of natural resources; Native American tribes; academicians involved in natural sciences; and the public-at-large.

Following are the categories for which the BLM is seeking nominations, by field area, for three-year terms beginning September 21, 2006. Nominations should be mailed to the appropriate field manager.

Western Montana: Three openings in Category 1; one opening in Category 2; and one opening in Category 3. Rick Hotaling, BLM Butte Field Manager, 106 N. Parkmont, Butte, MT, 59701, 406/533-7600.

Central Montana: Two openings in Category 1; two openings in Category 2; and one opening (elected official) in Category 3. June Bailey, BLM Lewistown Field Manager, 920 NE Main Street, Lewistown, MT, 59457, 406/538-1900.

Nominees will be evaluated based on their education, training, experience, and knowledge of the issues and the geographical area of the council. Nominees should have demonstrated a commitment to collaborative resource decision making.
