REPORTING REQUIREMENTS
Who must report – A Form BE-605 Bank is required from every U.S. business enterprise in banking in which a foreign person had a direct and/or indirect ownership interest of 10 percent or more of the voting stock if an incorporated business enterprise or an equivalent interest if an unincorporated business enterprise at any time during the reporting period. Reports are required even though the foreign person's equity interest in the U.S. business enterprise may have been established, acquired, liquidated, sold, or inactivated during the reporting period.
Exemption – A U.S. affiliate is not required to file a report if **each of the following three items** for the U.S. affiliate (not the foreign parent's share) is equal to or less than \$30 million, either positive or negative: (1) Total assets, (2) Annual gross operating revenues, and (3) Annual net income (loss) after provision for U.S. income taxes.
A U.S. affiliate claiming exemption from filing a report must complete the Certification of Exemption and (1) give the levels of the three items above, (2) complete the "Person to Consult" and "Certification" sections on page 4 of Form BE-605 Bank, and (3) return the entire form to BEA at the address noted.
Change in reporting requirements – Starting with the first quarter 2003 BE-605, U.S. affiliates that are banks and bank holding companies that directly or indirectly own more than a 50 percent interest in one or more U.S. affiliates in nonbanking industries must file a single consolidated report on Form BE-605 BANK to report BOTH the banking and nonbanking operations.
Consolidated reporting by the U.S. affiliate – A U.S. affiliate must file on a fully consolidated domestic U.S. basis, including in the consolidation all U.S. business enterprises in which it directly or indirectly owns more than 50 percent of the outstanding voting interest. The fully consolidated entity is considered one U.S. affiliate. Foreign subsidiaries of the U.S. affiliate are not to be included in the consolidation, except as provided under the equity method. See the *General Instructions regarding consolidations*.

NOTE – If item 7 is marked, complete only Parts III, IV, V and IX (to report direct transactions of U.S. affiliate identified in item 2 with the foreign parent and foreign affiliates of the foreign parent), as applicable. (Do not duplicate amounts consolidated in the BE-605 Bank or BE-605 report for the U.S. affiliate identified in item 9.)
However, a U.S. affiliate that is **indirectly** foreign owned and has no direct transactions or positions, excluding ordinary banking operations, with a foreign parent (or foreign affiliates of the foreign parent) at any time during the year is exempt from filing a Form BE-605 Bank provided the Certificate of Exemption on page 4 of Form BE-605 Bank is (or has been) filed.
