¹ Based on the North American Industry Classification System, 2002.

² May include volunteers and workers receiving other types of compensation.

³ Includes fatalities to workers employed by governmental organizations regardless of industry.

⁴ Includes paid and unpaid family workers, and may include owners of incorporated businesses, or members of partnerships.

NOTE: Totals for 2004 are revised and final. Totals for major categories may include subcategories not shown separately. Percentages may not add to totals because of rounding. Dashes indicate no data reported or data that do not meet publication criteria. There were 4 fatalities for which there was insufficient information to determine a specific industry classification, though a distinction between private and government was made for each.
