DEPARTMENT OF EDUCATION

Teaching American History Grant Program

Catalog of Federal Domestic Assistance (CFDA) Number 84.215X.

AGENCY: Office of Innovation and Improvement, Department of Education.

ACTION: Notice of proposed revisions to selection criteria.

SUMMARY: The Assistant Deputy Secretary for Innovation and Improvement proposes to amend the final selection criteria governing the Teaching American History Grant Program (TAH) as published in the notice of final selection criteria and other application requirements (2005 Notice) in the **Federal Register** on April 15, 2005 (70 FR 19939). The 2005 Notice required the Secretary to use specific selection criteria when evaluating grant applications for the TAH program. The changes proposed in this notice would

allow the Secretary to use an approach similar to that in 34 CFR 75.200 for establishing selection criteria in grant competitions. That is, the Secretary would have the flexibility to use selection criteria (i) established for the TAH program in the 2005 Notice, (ii) from the menu of general selection criteria in the Education Department General Administrative Regulations (EDGAR) in 34 CFR 75.210, (iii) based on statutory provisions in accordance with 34 CFR 75.209, or (iv) from any combination of (i) through (iii) for competitions in fiscal year (FY) 2009 and in subsequent years.

DATES: We must receive your comments on or before November 28, 2008.

ADDRESSES: Address all comments about this notice to Mia Howerton, U.S. Department of Education, 400 Maryland Avenue, SW., Room 4W212, Washington, DC 20202-5960.

Purpose of Program: TAH is authorized under Title II, Part C, Subpart 4 of the Elementary and Secondary Education Act of 1965, as amended by the No Child Left Behind Act of 2001. The goal of the TAH program is to support activities that raise student achievement by improving teachers' knowledge, understanding, and appreciation of American history.

Program Authority: 20 U.S.C. 6721-6722.

Proposed Selection Criteria

Background

The Department's regulations in EDGAR govern, among other things, the Department's use of selection criteria to evaluate discretionary grant applications. Under § 75.200, the Secretary may use selection criteria based on statutory provisions in accordance with 34 CFR 75.209, selection criteria in program-specific regulations, selection criteria established under 34 CFR 75.210, or any combination of these. Section 75.210 provides a menu of selection criteria. For a competition, the Department selects from the menu one or more criteria that best enable us to identify the highest-quality applications consistent with the program purpose, statutory requirements, and any priorities established. Within each criterion, the Secretary may further define the criterion by selecting one or more specific factors.

The 2005 Notice established specific selection criteria by which the Department would evaluate TAH applications (Project Quality, Significance, Quality of Project Evaluation, and Quality of Management Plan) and other application requirements.

After using these specific criteria for the last three years, we have determined that the Department needs greater flexibility in using selection criteria to evaluate TAH program applications. Accordingly, we are proposing in this notice that, in addition to the criteria established for the TAH program in the 2005 Notice, the Secretary also may use selection criteria under § 75.210 and criteria based on the program statute under § 75.209, or any combination of these criteria for the purpose of evaluating grant applications under the TAH program. We believe that by expanding the range of selection criteria that could be used in a specific grant competition, we will be able to administer the TAH program more
