

1. What types of special situations are present on your campus?

---

---

---

2. Of the situations you identified above, how could an organized C-CERT team be used during an emergency event?

---

---

---

3. In what ways could a C-CERT team be organized on your campus?

---

---

---

4. In what manner could issues of liability or worker's compensation be addressed?

---

---

---

5. What steps could you take to integrate the C-CERT team with Incident Command and the Emergency Operations Center?

---

---

---

6. Who could be the "champion" for C-CERT on your campus?

---

---

---

7. Identify other potential supporting or detracting issues that you can think of, related to the establishment of a C-CERT team on your campus.
