23 TYPE OF CONSTRUCTION

Percent of the construction work reported in 4, line A involved in the following types of construction. (Report these percentages in column (1) below on pages 8 and 9. IMPORTANT: Complete column (1) on both pages before completing columns (2) through (4). Then in columns (2), (3), and (4) allocate the percent for each line according to the three categories of construction. The sum of columns (2) through (4) should equal the entry in column (1). Refer to the information sheet(s) for a step by step example and for definitions of the three categories of construction.)
