and half receive the same as or less than the benefit shown. At the 25th percentile, one-fourth of the participating workers receive the same or less than the benefit shown. The remaining percentiles follow the same logic.

NOTE: Dash indicates no workers in this category or data did not meet publication criteria.

Includes workers in the private nonfarm economy except those in private households, and workers in the public sector, except the federal government.

See "Technical note" for further explanation.

The 10th, 25th, 50th, 75th, and 90th percentiles designate position within each published series. For example, at the 50th percentile or median, half of the participation workers receive the same as or more than the benefit shown. the participating workers receive the same as or more than the benefit shown,
