Change summary: The CPWG proposes changes to the E-Governance CAs
Certificate Policy (CP) that delete all references to provisionally approved E-
Governance CA Standard Operating Procedures (SOPs), which are part of the
internal FPKIA OA SOPs.

Background: The need for this change proposal was realized while reviewing other
comments for the E-Governance CA CP since the 10 August 2004 FPKIPA meeting
and the 30 August 2004 CPWG meeting. This change was formalized into a change
proposal because it was considered a substantive change, requiring FPKIPA
approval to implement.
