

Streetside Mileage Calculation

A E Old Camden Road is a census tract boundary. Therefore, only the streetside internal to tract 103 will be used to calculate the mileage for census tract 103. The streetside internal to tract 102 will be used in calculating the mileage for census tract 102.

B Astoria Avenue is located within the boundaries of census tract 106. Therefore, both sides of Astoria Ave will be used in the mileage calculation of census tract 106.
