Totals include data for industries not shown separately.
${ }^{2}$ Standard Industrial Classification Manual, 1987 Edition.
${ }^{3}$ Employment is expressed as an annual average and is derived primarily from the BLS-State Covered Employment and Wages program. Employment in private households (SIC 88) is excluded.
${ }^{4}$ Total lost workday cases involve days away from work, or days of restricted work activity, or both.
${ }^{5}$ Days-away-from-work cases include those which result in days away from work with or without restricted work activity.
${ }^{6}$ Excludes farms with fewer than 11 employees.
${ }^{\prime}$ Data conforming to OSHA definitions for mining operators in coal, metal, and SOURCE: Bureau of Labor Statistics, U.S. Department of Labor, nonmetal mining and for employers in railroad transportation are provided to BLS Survey of Occupational Injuries and IIInesses, in cooperation with by the Mine Safety and Health Administration, U.S. Department of Labor; and the participating State agencies.
