[OMB Number 1230-0002]

Solicitation of Nominations for the Secretary of Labor's New Freedom Initiative Award; Extension of Period for Submission of Nominations Notice

1. *Subject:* The Secretary of Labor's New Freedom Initiative Award.

2. *Purpose:* This document extends the period for submission of nominations for the Secretary of Labor's New Freedom Initiative Award. This action is taken to permit increased participation by interested stakeholders.

3. *Originator:* Office of Disability Employment Policy (ODEP).

4. *Dates:* Nomination packages must be submitted to Secretary of Labor's New Freedom Initiative Award, Office of Disability Employment Policy, Room S-1303, 200 Constitution Avenue, NW., Washington, DC 20210 by May 31, 2007. Any application received after 4:45 p.m. EDT on May 31, 2007 will not be considered unless it was received before the award is made and:

1. It was sent by registered or certified mail no later than May 25, 2007;

2. It is determined by the Government that the late receipt was due solely to mishandling by the Government after receipt at the U.S. Department of Labor at the address indicated; or

3. It was sent by U.S. Postal Service Express Mail Next Day Service—Post Office to Addressee, not later than 5 p.m. EDT at the place of mailing, May 30, 2007.

The only acceptable evidence to establish the date of mailing of a late application sent by registered or certified mail is the U.S. Postal Service postmark on the envelope or wrapper and on the original receipt from the U.S. Postal Service. If the postmark is not legible, an application received after the above closing time and date will be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (not a postage meter machine impression) that is readily identifiable without further action as having been applied and affixed by an employee of the U.S. Postal Service on the date of mailing. Therefore, applicants should request that the postal clerk place a legible hand cancellation "bull's-eye" postmark on both the receipt and the envelope or wrapper.

The only acceptable evidence to establish the time of receipt at the U.S. Department of Labor is the date/time stamp of the Office of Disability Employment Policy on the application

wrapper or other documentary evidence or receipt maintained by that office.

Applications sent by other delivery services, such as Federal Express, UPS, e-mail, etc., will also be accepted; however, the applicant bears the responsibility of timely submission.

SUPPLEMENTARY INFORMATION:

I. Background

Pursuant to section 408 of ERISA, the Department has authority to grant an exemption from the prohibitions of sections 406 and 407(a) if it can determine that the exemption is administratively feasible, in the interest of participants and beneficiaries, and protective of the rights of participants and beneficiaries of the plan. Prohibited Transaction Class Exemption 85-68 describes the conditions under which a plan is permitted to acquire customer notes accepted by an employer of employees covered by the plan in the ordinary course of the employer's primary business activity. The exemption covers sales as well as contributions of customer notes by an employer to its plan. Specifically, the exemption requires that the employer provide a written guarantee to repurchase a note which becomes more than 60 days delinquent, that such notes be secured by a perfected security interest in the property financed by the note, and that the collateral be insured. The exemption requires records pertaining to the transaction to be maintained for a period of six years for the purpose of ensuring that the transactions are protective of the rights of participants and beneficiaries. This recordkeeping requirement constitutes an information collection within the meaning of the PRA, for which the Department has obtained approval from the Office of Management and Budget (OMB) under OMB Control No. 1210-0094. The OMB approval is currently scheduled to expire on July 31, 2007.
