

UNITED STATES DEPARTMENT OF COMMERCE
Bureau of Industry and Security

Washington, D.C. 20230

September 13, 2007

Dear _____ :

The purpose of this letter is to remind _____ that the Wassenaar Arrangement's (WA) Munitions List (ML) controls:

- 1) Target acquisition, designation, range-finding, surveillance or tracking systems; detection, data fusion, recognition, or identification equipment; and sensor integration equipment in WA ML5.b; and
- 2) Software specially designed or modified to enable equipment not controlled on the ML to perform the military functions of equipment controlled by the ML (WA ML21).

Software for the development, production or use of this equipment or software that provides this capability would likely fall under the export control jurisdiction of the Department of State (Bureau of Political-Military Affairs/Directorate of Defense Trade Controls). The Wassenaar Munitions List can be found at web site www.Wassenaar.org.

Any questions regarding the export control jurisdiction of items covered by those WA ML categories should be directed to the U.S. Department of State, Bureau of Political Military Affairs, Directorate of Defense Trade Controls, PM/DDTC, SA-1, 12th Floor, 2401 E Street, N.W., Washington D.C. 20037.

For any other questions, you may contact me a (202) 482-3226 or jthompsa@bis.doc.gov.

Sincerely,

James Thompson
Director
Sensors and Aviation Division
Office of National Security
and Technology Transfer Controls
