

AES Compliance Seminar and Workshop

Cleveland, OH

Tuesday, November 4, 2008 AES Compliance Seminar
Wednesday, November 5, 2008 AES*PcLink* Training Workshop

The New Foreign Trade Regulations and Mandatory Automated Export System Filing Requirements Are Here!

Be the first to attend the AES Compliance Seminar in Cleveland, OH since the release of the new Foreign Trade Regulations (FTR). The U.S. Census Bureau experts will teach you about export regulations, explain your responsibilities under the laws, thoroughly cover the filing of required export information through the Automated Export System (AES), and make sure you understand the Schedule B classification requirements. The Customs & Border Protection (CBP) expert will also thoroughly cover port requirements and efforts against terrorism and international narcotics trafficking.

On the second day, there will be an AES*PcLink* Workshop where participants can enjoy the benefits of FREE electronic filing of their export information via the Windows-based desktop PC Component AES*PcLink*. Come learn how to successfully file your export information in this hands-on PC training workshop provided by the U.S. Census Bureau Foreign Trade Division!
