Federal Acquisition Service

One Country. One Mission.

GSA's new FAS has a clear mission—we help provide easier access to total solutions. As the only federal agency whose sole purpose is to help government obtain goods and services, we supply the most solutions at the best value. Our unique level of expertise streamlines the procurement process to help you stay on time and budget.

Federal Acquisition Service

One Source.

Because we realize your mission's requirements change from one project to the next, FAS answers to the evolving needs of our government customers. We work with more than 16,000 vendors who provide more than five million products and services. By any measurement, the scope and volume of our capabilities is staggering, but so is America's mission.
