Requested Administrative Waiver of the Coastwise Trade Laws

AGENCY: Maritime Administration, Department of Transportation.

ACTION: Invitation for public comments on a requested administrative waiver of the Coastwise Trade Laws for the vessel *Outlaw*.

SUMMARY: As authorized by Public Law 105-383 and Public Law 107-295, the Secretary of Transportation, as represented by the Maritime Administration (MARAD), is authorized to grant waivers of the U.S.-build requirement of the coastwise laws under certain circumstances. If MARAD determines, in accordance with Public Law 105-383 and MARAD's regulations at 46 CFR Part 388 (68 FR 23084; April 30, 2003), that the issuance of the waiver will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels in that business, a waiver will not be granted. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the

comments. Comments should also state the commenter's interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD's regulations at 46 CFR part 388.

SUPPLEMENTARY INFORMATION:

I. Background

On March 22, 2006, PHMSA issued a Notice of Intent to consider the waiver requests presented by M&NE (PHMSA-2006-23448; Notice 1; 71 FR 14575). The Notice of Intent allowed anyone interested in filing public comments addressing the request described in the notice to do so by April 21, 2006.

On April 14 & 24, 2006, the Maine Public Utilities Commission (MPUC) requested a 60-day extension of the comment period. MPUC said the extension would allow M&NE to notify more residents within a high consequence area (along the pipeline corridor) of the pending waiver request. MPUC said the extension would allow effective notice to the affected residents, and give them ample opportunity to submit comments on the petition. Therefore, MPUC urged PHMSA to grant the extension so all might have confidence in the fairness of the waiver process to the public.

On May 2, 2006, M&NE wrote PHMSA in support of comments filed by MPUC. M&NE stated they were in the process of sending letters to the additional residents requested by the MPUC. The letters notify residents of the proposed waiver and the opportunity for comment.

In consideration of the above, PHMSA extends the public comment period to June 16, 2006.
