

UNITED STATES
CIVILIAN BOARD OF CONTRACT APPEALS

May 2, 2008

CBCA 1049-RELO

In the Matter of SARA L. CHRISTIAN

Sara L. Christian, Pensacola, FL, Claimant.

Shirley Lee Autry, Deputy Director, Finance Center, United States Army Corps of Engineers, Millington, TN, appearing for Department of the Army.

DANIELS (Chairman), Board Judge.

Sara L. Christian requested that the Board review a demand by her employer, the Army Corps of Engineers, for payment of the cost of non-temporary storage of household goods. The goods had been placed in storage when Ms. Christian was posted overseas and were removed when she was transferred to a duty station in the United States.

The agency has now agreed to withdraw its demand for payment, and the employee has accordingly withdrawn her request that we consider the matter. The case is consequently dismissed.
