October 1, 2008

CBCA 410-RATE, 414-RATE

In the Matter of PILOT AIR FREIGHT CORP.

James A. Calderwood and Christina M. Wenzel of Zuckert, Scoutt & Rasenberger, L.L.P., Washington, DC, appearing for Claimant.

James F. Fitzgerald, Director, Transportation Audits Division, Office of Travel, Motor Vehicles & Card Services, Federal Acquisition Service, General Services Administration, Arlington, VA; and Aaron J. Pound, Office of General Counsel, General Services Administration, Washington, DC, appearing for General Services Administration.

William C. Jones, Acquisition and Fiscal Law Division, Office of the Staff Judge Advocate, Headquarters, Air Mobility Command, Department of the Air Force, Scott Air Force Base, IL, appearing for Department of the Air Force.

DANIELS, Board Judge (Chairman).

The General Services Administration (GSA) denied full payment to Pilot Air Freight Corp. (Pilot) for hundreds of shipments which Pilot asserted it had transported for Department of Defense (DoD) agencies. Through two separate filings, Pilot asked the Board to review GSA's determinations, contending that it had indeed provided the services for which it had billed.

In an effort to resolve the disputes, Pilot, GSA, and DoD representatives, over a period of many months, exchanged and reviewed documentation regarding the shipments at issue.

On September 30, 2008, Pilot filed a motion to dismiss the case. It advised the Board that a settlement had been reached.

In accordance with Pilot's request, the cases are dismissed.
