

U.S. COMMERCIAL SERVICE Matchmaking Program

MEET YOUR MATCH Through U.S. Commercial Service Partnering Experts at Canada's Largest Building & Construction Show

Location: Metro Toronto Convention Centre, South Building
Dates: December 3 – 5, 2008

Construct Canada is held concurrently with HomeBuilder & Renovator Expo, PM Expo, Concrete Canada, Design Trends, and the National GreenBuilding Conference.

www.constructcanada.com

Over 30 different categories of products, technologies, and services are featured for the entire spectrum of building design, construction, retrofit, and renovation in commercial and residential construction.

Construct Canada 2008 will facilitate the exchange of new ideas, best practices, leading edge green technologies, and product knowledge with a combination of wide ranging educational seminars and a top quality exposition attended by over 23,000 in 2007.

Tour more than 1100 leading edge exhibits, choose from over 450 speakers in the dynamic seminar program, and experience unparalleled networking and partnering opportunities.
