

amended by the American Bar Association at the end of its February 2002 Midyear Meeting, also known as the Ethics 2000 revisions.

DATES: You must submit your comments by Monday, April 12, 2004. The Office may not necessarily consider or include in the Administrative Record for the proposed rule comments that the Office receives after the close of this extended comment period or comments delivered to an address other than those listed below.

ADDRESSES: Comments should be sent by electronic mail over the Internet addressed to:

ethicsrules.comments@uspto.gov.

Comments may also be submitted by mail addressed to: Mail Stop OED—Ethics Rules, United States Patent and Trademark Office, P.O. Box 1450, Alexandria, Virginia 22313–1450 or by facsimile to (703) 306–4134, marked to the attention of Harry I. Moatz.

Although comments may be submitted by mail or facsimile, the Office prefers to receive comments via the Internet. If comments are submitted by mail, the Office would prefer that the comments be submitted on a DOS formatted 3½-inch disk accompanied by a paper copy. The comments will be available for public inspection at the Office of Enrollment and Discipline, located in Room 1103, Crystal Plaza 6, 2221 South Clark Street, Arlington, Virginia, and will be available through anonymous file transfer protocol (ftp) via the Internet (address: *http://www.uspto.gov*). Since comments will be made available for public inspection, information that is not desired to be made public should not be included in the comments.

FOR FURTHER INFORMATION CONTACT: Harry I. Moatz ((703) 305–9145), Director of Enrollment and Discipline (OED Director), directly by phone, or by facsimile to (703) 305–4136, marked to the attention of Mr. Moatz, or by mail addressed to: Mail Stop OED—Ethics Rules, U.S. Patent and Trademark Office, P.O. Box 1450, Alexandria, Virginia 22313–1450.

SUPPLEMENTARY INFORMATION: The USPTO published the proposed rules on December 12, 2003 (68 FR 69442) and provided a 60-day comment period that will end on February 10, 2004. We are extending the comment period on proposed rules 11.100 through 11.900 in subpart D until April 12, 2004, to allow the public additional time to provide us with their comments.

The Office seeks comments regarding proposed rules 11.100 through 11.900 in subpart D, in part, because the proposed rules do not contemplate inclusion of

the Ethics 2000 revisions to the Model Rules of Professional Conduct. The Ethics 2000 revisions have not been widely adopted by state bars. Proposed rules 11.100 through 11.900, in large part, are based on the widely adopted Model Rules of Professional Conduct. The extended comment period provides the public an opportunity to address proposed rules 11.100 through 11.900, and whether the Ethics 2000 revisions should be included in the rules adopted by the Office.

Dated: January 22, 2004.

Jon W. Dudas,

Acting Under Secretary of Commerce for Intellectual Property and Acting Director of the United States Patent and Trademark Office.

Approval and Promulgation of Implementation Plan: Revisions to South Carolina State Implementation Plan: Transportation Conformity Rule

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The EPA is approving the State Implementation Plan (SIP) revision submitted by the State of South Carolina on November 19, 2003, for the purpose of establishing specific consultation procedures for the implementation of transportation conformity requirements. This SIP revision also incorporates the State's adoption of the Federal transportation conformity regulations verbatim. EPA is not taking action on portions of the transportation conformity regulations affected by *Environmental Defense Fund v. EPA*, 167 F.3d 641 (D.C. Cir. 1999), including sections 102(c)(1), 118(e)(1), 120(a)(2), 121(a)(1), and 124(b). In the final rules section of this **Federal Register**, the EPA is approving the State's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no significant, material, and adverse comments are received in response to this rule, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be

withdrawn and all public comments received will be addressed in a subsequent final rule based on this rule. The EPA will not institute a second comment period on this document. Any parties interested in commenting on this document should do so at this time.

DATES: Written comments must be received on or before March 1, 2004.

ADDRESSES: Comments may be submitted by mail to: Matt Laurita, Air Quality Modeling and Transportation Section, Air Planning Branch, Air, Pesticides and Toxics Management Division, U.S. Environmental Protection Agency Region 4, 61 Forsyth Street, SW., Atlanta, Georgia 30303–8960. Comments may also be submitted electronically, or through hand delivery/courier. Please follow the detailed instructions described in the direct final rule, **SUPPLEMENTARY INFORMATION** section (sections IV.B.1. through 3.), which is published in the rules section of this **Federal Register**.
