The Honorable Arlen Specter  
Chairman  
Senate Committee on the Judiciary  
224 Dirksen Senate Office Building  
Washington, DC 20510

The Honorable Patrick J. Leahy  
Ranking Member  
Senate Committee on the Judiciary  
152 Dirksen Senate Office Building  
Washington, DC 20510

Dear Chairman Specter and Ranking Member Leahy:

As women Members of Congress who work hard to enact legislation and promote policies that protect women and ensure equality within our society, we fear our work, and the contributions of our colleagues who served before us, will be dismantled with the confirmation of Judge Samuel Alito to the U.S. Supreme Court.

We believe that Judge Alito poses a direct threat to the rights of women in America. As the attached memorandum details, Judge Alito has a long record of extreme views on women's reproductive health, sexual and workplace discrimination, the Family Medical Leave Act and civil rights. He has worked to thwart established precedent and has affiliated himself with radical organizations that have actively sought to keep women and minorities from advancing educationally and economically.

Under the scrutiny of the nomination process, it is not surprising that Judge Alito now disavows his positions on issues important to women and families in order to secure confirmation votes. But his record speaks to his true views and it speaks loudly. Rather than offering a balanced successor to the moderate views of Justice Sandra Day O'Connor and the majority of this nation, Judge Alito's nomination radically tips the scales of justice against women.

As guardians of the Constitution, Supreme Court Justices play a key role in protecting and ensuring our liberties. They are given life tenures and are expected to stay above the political fray so their decisions will be fair and unbiased. They must judge cases with impartiality and open mindedness, and they must respect settled law.

You have a responsibility to ensure that the highest court is not stacked against the hard fought rights that protect women across the country. When you consider the nomination of Judge Alito to the U.S. Supreme Court, we hope you will reflect on the milestones in women's rights and determine that America cannot afford to abandon these fundamental protections. We encourage you to review the attached memorandum which details many of the disturbing examples of Judge Alito's extreme views on women's rights in the law. We urge you to consider that this lifetime

appointment will have detrimental consequences for American women, and oppose the confirmation of Judge Alito as the next U.S. Supreme Court Justice

Sincerely,
