AUDITING SERVICES AND FINANCIAL MANAGEMENT SERVICES**Providing Financial Information Just Got a Whole Lot Easier With GSA's Auditing and Financial Management Services**

Do you need help developing, reconciling and auditing financial statements?

Are you having problems meeting the requirements of:

- The Government Performance and Results Act (GPRA),
- The Government Management Reform Act (GMRA)
- The Chief Financial Officers (CFO) Act, or
- The Inspector General (IG) Act?

These Acts require agencies to provide more financial information than ever before.

GSA recognizes that Government officials, policy makers and managers need reliable financial and performance information to meet changing financial needs. That's why GSA has put together a multiple award schedule which offers Federal agencies direct access to commercial firms in the auditing and financial field. These firms provide specialized expertise agencies need but may not have on staff. Schedule contractors are experienced in providing auditing services such as internal audits, as well as financial management services such as the preparation of financial statements or accounting support. GSA has established contracts for these services with firms ranging from small businesses to the larger big 5 firms.

Our Multiple Award Schedule provides the expertise you need. Here is a sampling of the services offered:

Financial Audits Forensic Audits, Cost Incurred Audits, Indirect Cost Audits, Financial Compliance Audits, Prepayment Audits, Review of Actuarial or Appraisal Reports, and Financial Statement Audits in accordance with the CFO Act.

Performance Audits, Program Results Audits, Program Fraud Audits and Economy and Efficiency Audits in accordance with the IG Act.

Miscellaneous Activities of an Audit Organization, Assistance Developing Questions for Use at Hearings and Performing Investigative Work.

Accounting Services, Accounting and Bookkeeping Support, Accounting Reconciliation, Data Manipulation, Accounting Allocations, Financial Management Accounting Services, Preparation of Pro Forma Statements, and Cost Benefit Analyses.

Financial Consulting Accounting and Audit Consulting for Policies and Procedures/Financial Procedures, Internal Control Structure, Financial Systems Improvement, Financial Systems Implementation, Financial FASAB Standards Implementation, Actuarial Services, Cost Benefit Analyses, Forensic Consulting, and Activity Based Costing.

NEWS FLASH

GSA/CENSUS JOINT VENTURE 2000

In a recent meeting with the U.S. Bureau of the Census, Support Services Branch Management Team, the GSA, Mid-Atlantic Region, Washington, DC, received accolades. The GSA, Mid-Atlantic Region, was commended for their continued outstanding support in the transportation of office furniture and equipment for all of the Local Census Offices (LCO) as required by the various locations and operations of those facilities.

We are now providing full transportation support of supplies needed by the 520 offices as Census moves into full operation of the 2000 Census. The Mid-Atlantic Region has established a transportation system of supply support covering CONUS, Alaska, US Possessions and Territories consisting of 50 Specialized Truckload (TL), Less-Than-Truckload (LTL) and Small Package Carriers with an overall reduction in transportation cost of 45%. This will be a 24- hours a day, 7-days a week operation covering the shipment of 700,000,000 pounds of supplies with allocated transportation funds of \$30,000,000.

The Mid-Atlantic Region is working closely with the Census to ensure any potential failure in transportation services resulting from any circumstance will be responded to immediately and remedied quickly including on-site visits to the Distribution Center at Jeffersonville, IN.
