waste disposal equipment available through gsa

GSA Automotive's Vehicular Multiple Award Schedule (VMAS) 23V has a full range of waste disposal vehicles, trailers and accessories for all our customer agencies' waste disposal needs.

There is a full range of equipment available under Special Item

Number (SIN) 618 02, Waste Disposal Vehicles, Trailers, and Accessories for the collection, disposal, and recycling of refuse from construction sites, curbside recycling, hazardous and liquid waste, such as spills on the

GSA Automotive's waste disposal equipment contracts under Schedule 23V cover a full range of vendors supplying everything from collection to disposal vehicles including: industrial vacuum loaders, combination jet vacuum machines, trailers for sorting and handling recyclable solid waste, refuse collection trucks, waste disposal vehicles, and sewer cleaning machines.

Multiple designs are available for refuse collection trucks, from simple to cutting-edge technology; customers can choose from front, rear, and side loaders to allow for versatility.

- Front loader refuse collection trucks are primarily used for collection of dumpster containers.
- Rear loader refuse collection trucks are most often used for the collection of refuse.
- Side loader refuse collection trucks include cutting-edge

technology; these machines are commonly automated trucks that lift and empty residential rolling carts via a hydraulic arm.

GSA Automotive offers many types of sewer cleaning equipment and industrial air machines with a variety of available options and accessories. Many of the industrial vacuum loaders offered through SIN 618 02, allow for high lift dumps into containers and roll-offs.

Recycling trailers offered come in a variety of models and designs; everything from curbside pick-up to drop-off location equipment is available. These trailers are available with

multiple compartments or interior dividers and some models have key lock side unloading doors for additional security

of items.

For more details on any of GSA Automotive's waste disposal vehicles and accessories, visit GSA's Schedules e-Library, www.gsaelibrary.gsa.gov, *GSA Advantage!*, www.gsaadvantage.gsa.gov, or GSA Automotive's website, www.gsa.gov/automotive. If you require assistance or have questions, call GSA Automotive's Customer CARE, Marketing and Systems Division at (703) 308-CARS (2277) or email vehiclebuying@gsa.gov.
