INFORMATION SHEET

This 2002 Economic Census information sheet covers companies engaged in the following areas of economic activity:

- Direct insurance carriers - initially underwriting life, accident, health, fire, marine, casualty and/or surety insurance.

Complete items **28A** and **28B** as accurately as possible. In many cases this will satisfy Census Bureau requirements.

DEFINITION OF A CONSOLIDATED REPORTING UNIT

A **Consolidated reporting unit** is the grouping of all the domestic establishments of a company that operate in a specified industry (major activity) into a single reporting unit. The consolidated reporting unit applies to networked industries where the production of goods or services cannot be attributed to a single establishment. An establishment is generally a single physical location. This consolidated report form should include data for all networked establishments (locations) operated by this company during 2002.

GENERAL INSTRUCTIONS

- The report form should cover calendar year 2002. If book figures are not available, **estimates are acceptable**. However, if the accounting fiscal year is different from the calendar year, fiscal year figures will be acceptable for all items except payroll (calendar year figures for payroll, for each location, should be available from Internal Revenue Service (IRS) Form 941, Employer's Quarterly Federal Tax Return). Indicate in item **30**, the exact dates covered.
- If an establishment listed in item **28A** stopped operating in the major activity/industry printed, before January 1, 2002, indicate action and date in column **(c)** of the Pre-identified Locations of Operations supplement (item **28A**).

Indicate action and date in column **(c)** of the Pre-identified Locations of Operations supplement (item **28A**).
- Revenue and payroll data should be rounded to the nearest thousand dollars as illustrated on the report form.
- If there are any questions or if any communication regarding the report form is necessary, reference the 11-digit Census File Number (CFN) printed in the mailing address section on the first page of the consolidated report form.
- Please photocopy each report form for your records and return the originals.
- Public reporting burden for this collection of information is estimated to vary from 12 minutes to 4 hours and 30 minutes per response, with an average of 1 hour and 18 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
