**Miscellaneous Easement  
Permit # ME 20030133**

Dear Mr. Rosenbaum

Energy Partners, Ltd. (EPL) has abandoned the subject pipeline as of December 30, 2007. The attached letter from Cajun Consulting & Inspection, Inc., (Cajun) which has been signed electronically by their Mr. Garrell Adam, Jr., notes the commencement date of December 29, 2007 and contains information relative to utilization of EPL's submitted abandonment procedure. The entire length of the pipeline has been removed. No mitigation measures were taken other than those identified in the approved procedure.

EPL's Land Department will request cancellation of the easement upon completion of the structure removal.

Should you have questions or require additional information please contact me at (504) 799-4822 or Mr. Adam with Cajun at (504) 362-1177.

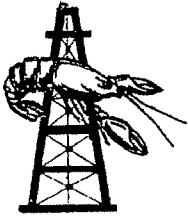

Sincerely,

Karen Vanacor

Re.: Letter of Pipeline Abandonment Completion  
Brazos Block 495 "S"  
4" Pipeline Segment # 102358

Dear Ms. Karen W. Vanacor:

The B.A. 495 "S" pipeline was abandoned as per EPL's approved decommissioning procedure. All captured hydrocarbons and demo piping was checked for NORM and disposed of by Production Management, Inc. The decommissioning took a total of (2) two days from December 29, 2007 through December 30, 2007.

Sincerely,

**CAJUN CONSULTING & INSPECTION, INC.**
