RE: Abandoned Underwater Pipeline Facilities Report

Attached is the requested information on the Dominion Peoples - Abandoned Underwater Pipeline Facilities for pipeline facilities abandoned before October 10, 2000. These pipelines were crossing navigable waterways as defined by the Bureau of Transportation Statistics – National Waterway Network, Version 2, Release 3. This report represents information that was readily available.

To the best of my knowledge, I have provided all of the requested information that is reasonably available about the subject abandoned pipeline facilities and, to the best of my knowledge, these abandoned pipeline facilities were abandoned in accordance with all applicable State and Federal requirements in effect at the time of abandonment.

If you have any questions, please feel free to contact me at (216) 736-6835.

Sincerely,

A handwritten signature in cursive script that reads "Clarence W. Moore".
