Gentlemen:

Report Of Pipeline Facilities Abandoned Prior To October 10, 2000
That Intersect A Commercially Navigable Water Way
Gas Transmission and Gathering System

Enclosed is the above-captioned report on behalf of Williams Gas Pipeline Transco.

To the best of my knowledge, I have provided all of the requested information that is reasonably available about the subject abandoned pipeline facilities and, to the best of my knowledge, these abandoned pipeline facilities were abandoned in accordance with all applicable State and Federal requirements in effect at the time of the abandonment.

Any questions or comments should be addressed in care of my attention at the letterhead address.

Signature James P. Avioli Date 4/09/01
