Title: Privacy of Consumer Financial Information, OMB Control No. 3038-0055. This is a request for extension of a currently approved information collection.

Abstract: Section 124 of the Commodity Futures Modernization Act of 2000 ("CFMA") amends the Commodity Exchange Act (the "Act") and adds a new section 5g to the Act to make the Commission a Federal functional regulator for purposes of applying the provisions of Title V, Subtitle A of the Gramm-Leach-Bliley Act ("GLB Act") addressing consumer privacy to any futures commission merchant, commodity trading advisor, commodity pool operator or introducing broker that is subject to the Commission's jurisdiction with respect to any financial activity. In general, Title V requires financial institutions to provide notice to consumers about the institution's privacy policies and practices, to restrict the ability of a financial institution to share nonpublic personal information about consumers to nonaffiliated third parties, and to permit consumers to prevent the institution from disclosing nonpublic personal information about them to certain non-affiliated third parties by "opting out" of that disclosure. This

rule implements the mandates of section 124 and Title V of the GLB Act.

SUPPLEMENTARY INFORMATION:

Title: Rules Relating to the Operations and Activities of Commodity Pool Operators and Commodity Trading Advisors and to Monthly Reporting by Futures Commission Merchants, (OMB Control No. 3038-0005). This is a request for revision of a currently approved information collection.

Abstract: Part 4 of the Commission's Regulations set forth the Commission's rules prescribing the disclosure of risk, the filing of reports, and the keeping of books and records. Each CPO who is registered or required to be registered and solicits prospective participants in a commodity pool must, absent an exemption, deliver to prospective participants, and file with the NFA, a Disclosure Document containing information specified by 4.24 and 4.25 before the CPO may accept funds or other property in exchange for participation in the pool. CTAs also must comply with the disclosure requirements of 4.34 and 4.35 before they may enter into an agreement to direct or to guide a client's commodity interest trading account.

Rule 4.22 requires that CPOs who are registered or required to be registered also must provide pool participants with an unaudited monthly or quarterly Account Statement for the pool, and an Annual Report for the pool that contains the net asset value of the pool and Statements of Financial Condition, Income (Loss), Changes in Financial Position, and Changes in Ownership Equity. Rule 4.23 for CPOs, and 4.33 for CTAs provide for the types of books and records that must be maintained by these registrants.

Section 133(d) requires each futures commission merchant (FCM) to furnish to a person that controls the account of the FCM's customer (e.g., a CTA) the same information that the FCM must

furnish to the customers. Without this data, the person controlling the account lacks critical and timely information about the trades executed for the client's account.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
