NOTE: 1. Compiled from official statistics of the U.S. Department of Commerce, Bureau of Economic Analysis.

Data includes revisions thru 2/10/2005. Based on FT-900, Exhibits 3-4.

2. Military-Defense Transfers/Expenditures are defined as transfers under U.S. military sales contracts for exports and direct defense expenditures for imports.

3. More detailed services trade data are available once a year, usually late in the year, in the monthly Survey of Current Business.

4. Balance numbers do not always agree due to rounding.
