Dear Prospective Vendor/Contractor:

We appreciate your interest in doing business with the federal government. This comprehensive guide to the federal marketplace was prepared for business firms who are interested in contracting with federal civilian and military agencies within the Mid-Atlantic Region.

The purpose of this directory is to provide you with “leads” to market your commodity or service to agencies of the federal government. GSA neither guarantees nor promises that any business or contracts will result from your contact with the agencies/organizations listed. We have also listed additional resources for you to contact to obtain helpful information regarding the procurement process.

The General Services Administration’s Office of Small Business Utilization is here to assist you by working towards its mission to engage in strategies that provide access to opportunities for small (including small businesses located in HUBZones, minority, veteran, service-disabled veteran, and woman-owned) businesses in government procurement.

Should you need additional assistance, please feel free to contact us. We are located in the Strawbridge Building, 20 North Eighth Street, Philadelphia, Pennsylvania, 19107-3191. Phone (215) 446-4918.

GOOD LUCK, and we hope to hear of your future success!
