Re: White Pass Transportation Limited (CPF No. 54015-H)

Dear Mr. McCorriston:

On February 2, 1995, the Associate Administrator for Pipeline Safety issued a Hazardous Facility Order in the above-referenced case regarding the White Pass Transportation Limited (Respondent) pipeline between Skagway, Alaska and the United States-Canada border.

Based on the recommendation of the Director, Western Region, and Respondent's removal of the pipeline between the fall of 1998 and the spring of 1999, this case is now closed and no further enforcement action is contemplated with respect to the matters involved in the case.

Sincerely,
