Re: CPF No. 3-2004-5024

Dear Mr. Sudholt:

On November 22, 2005, the Pipeline and Hazardous Materials Safety Administration's Office of Pipeline Safety (OPS) issued a Final Order to Countrymark Cooperative, LLP in the above referenced case. The order assessed a civil penalty of \$16,000 and required that you take corrective action to comply with the Federal pipeline safety regulations. Based on the recommendation of the Director, Central Region, OPS, it has been determined that you have complied with the terms of that order. I acknowledge receipt of your wire transfer in the amount of \$16,000 and accept it as payment in full of the civil penalty. Accordingly, this case is now closed.

Sincerely,

James Reynolds

Office of Pipeline Safety
