Re: CPF No. 3-2005-5036

Dear Mr. True:

On February 16, 2006, the Pipeline and Hazardous Materials Safety Administration's Office of Pipeline Safety (OPS) issued a Final Order to Bridger Pipeline, LLC in the above referenced case. The order required that you take corrective action to comply with the Federal pipeline safety regulations. Based on the recommendation of the Director, Central Region, OPS, it has been determined that you have complied with the terms of that order. Accordingly, this case is now closed.

Sincerely,

A handwritten signature in black ink, appearing to read "James Reynolds".
