RE: CPF No. 3556-H

Dear Mr. O'Hair:

A Consent Order was issued on April 19, 1990 by the Associate Administrator for Pipeline Safety in the above-referenced case. The Order required certain actions be taken to address a seam failure on Minnesota Pipe Line Company Line No. 1 running between Clearbrook and Pine Bend, Minnesota. The Director, Central Region, PHMSA has determined that all actions required by the Order have been completed. Accordingly, this case is now closed.¹ Thank you for your cooperation in our joint effort to ensure pipeline safety.

Sincerely,

James Reynolds
