Understanding and using information resides more in the structure and packaging of the information than in the lack of information management skills of the audience.

Our business is to get your audiences to pay attention to your message, understand it, remember it, and act upon it. We help them to find answers to their questions, complete forms, access data, find specific information, and learn about your services, initiatives and products.

# SURE-FOOT

## One-Part Slip Resistant Epoxy Grit Aerosol

### Stop Slips and Injuries on Wet & Slick Walking Surfaces — Indoors or Outdoors!

Slips and falls cause 80% of on-the-job injuries (OSHA statistics). They often result in lawsuits and heavy fines.

But they can be prevented! **Sure-Foot** is a breakthrough in surface traction. It is a one-step anti-slip epoxy coating that puts down a gritty non-skid surface wherever it is sprayed. It gives durable traction to even the smoothest surfaces — indoors or outdoors! No mixing or combining components. Just shake up the can and spray on! Sure-Foot is chosen for slip prevention at Post Offices, VA Hospitals, GSA properties & DOD.

- Use on stairs, ramps, loading areas, shower areas — any slippery area.
- Adheres to concrete, wood, metal, fiberglass, tile, slate & painted surfaces.
- No sharp edges to rip up mops as other products can.
- No light & heavy areas like paint and sand. A long lasting, even coating over an entire surface.
- Can't pull up and create a tripping hazard like gritty tape.
- Available in Clear, Gray, Black and OSHA Safety Yellow.
- GSA contract price per case: 12/cans \$225.40 delivered.

Increased productivity,  
a manicured cut, enhanced  
maneuverability and faster  
ground speeds are all fine and  
good, but what probably will  
impress you more is the lower  
maintenance costs, safety,  
reliability and overall value.

▶ Trust that our mid-mount riders with zero-turn technology are most impressive, especially where it counts the most—on the bottom line. Visit our web site to learn more about Exmark and our product line.
