ARTICLE XIII

PROVISIONS APPLICABLE TO FRINGE BENEFITS

1. All Employers who are party to or otherwise bound by this Agreement, acknowledge, accept and agree to be bound by the Agreements and Declarations of Trust of the various Joint Trust Funds, as set forth within this Agreement. All Employers acknowledge, accept and appoint the current Employer Trustees of the various Joint Trust Funds to act on their behalf and to accept future Trustees who are appointed or elected in accordance with the Trust documents. All Employers further acknowledge that they are bound by the terms, provisions and conditions of all rules, regulations, resolutions and amendments pertaining to any Joint Trust Funds, as promulgated by the Trustees, whether currently existing or promulgated during the term of this Agreement. All the Joint Trust Funds set forth within this Agreement are established and maintained pursuant to §302 of the Taft-Hartley Act and the provisions of the Employee Retirement Income Security Act.

2. The Employer agrees that if he or she is two (2) weeks delinquent in the payment of any fringe benefits required to be paid under Articles XI or XII, above, he or she shall owe, in addition to any delinquent sums, ten percent (10%) of the delinquent amount as a service fee. In addition, the Employer shall pay reasonable attorneys fees and audit charges incurred by the several Trust Funds in collecting the delinquent payments. Interest at the statutory rate shall be added to all past due and unpaid contributions from the date they were due.

3. The Employer agrees that should the Trustees of any of the several Trust Funds described in this Agreement employ the services of an attorney to collect any delinquent payments, to force compliance with this Agreement, or because the Employer failed to submit to auditing as herein provided, the amount of reasonable attorney's fees incurred by the Trust Funds shall be paid by the Employer, in addition to court costs and other costs of litigation which the Trustees incurred on account of any suit they may have instituted because of the delinquency of the Employer.

4. Each of the Joint Trust Funds shall have the right, at any time, to audit the records of any Employer to determine whether full or timely payments have been made. The Employer agrees to permit a

Certified Public Accountant or a member of the firm or staff as selected by the Trustees, to enter upon the Employer's premises during normal working hours to examine such records as may be required determine the correctness of the Employer's contributions under this or the prior Agreement. Records to be provided by the Employer shall include, but not be limited to, the Employer's Quarterly Tax Return Form 941), Employers Quarterly Tax and Wage Report, State of Florida Form UCT6, Employer's Annual Federal Unemployment Tax Return (Form 940), payroll ledger and other such records as the Trustees may deem necessary to determine the Employer's compliance with the fringe benefit provisions contained within this Agreement. In the event the auditor determines that the Employer has violated the provisions of this Agreement in the method of computation of contributions, or if adequate records are not made available to permit the auditor to make a determination in that regard, the auditor may determine delinquency by dividing each Employee's gross compensation by the applicable hourly rate of pay and the quotient from that calculation shall be multiplied by the applicable fringe benefit contributions required to be paid under this Agreement.

5. In the event the audit reveals that the Employer has underpaid or failed to pay any fringe benefits required to be paid under this Agreement, except for clerical errors in a minor amount, or failed to submit to auditing, all costs incurred by the Trustees, including audit charges and reasonable attorney's fees, shall be paid by the Employer.

6. The Employer agrees that if his or her delinquency in the payment of fringe benefits has caused, in whole or in part, any Employee to lose or fail to gain eligibility under the Health and Welfare program and the said Employee has personally incurred any dental, medical or hospital expenses or costs for himself or herself or his or her dependents, the Employer shall be liable for and shall pay such expenses and costs in addition to any delinquent amounts.

7. Contributions are due and must be received by the Escrow Agent within two weeks (2) after the end of the month for which the contributions are payable. If the Employer's contributions are not received within that time period, the Employer shall be deemed delinquent. The Employer shall also be delinquent if the Employer fails to pay on all Employees or fails to make the proper amount of payments or fails to submit to auditing.

8. If the Employer is two (2) weeks delinquent in the payment of any fringe benefits required to be paid under this Agreement, the Employer shall be liable for the payment of liquidated damages and service fees to the extent such amount shall be established by the Trustees for each Fund, by the promulgation of rules and regulations, in accordance with the Trust Agreement. The Trustees shall notify all participating Employers of all rules and regulations establishing and revising the liquidated damages and late payment service fees charges, and any terms, conditions and provisions thereof, in advance of enforcement, but by execution of the Memorandum Agreement, the

Employer shall be bound by such promulgation on and after its effective date.

9. It is agreed that the various Trust Funds shall at all times accept any fringe benefit payment made by an Employer on behalf of Superintendents, provided that the Employer executes a Participation Agreement with the various Trust Funds and complies with the terms of such Participation Agreement.

10. Bonding:

If an Employer signatory to the Agreement is delinquent in the payments of contributions required hereunder, the Employer, upon request of the Trustees, shall immediately place with the Trustees of the Trust Funds referred to herein, a cash or surety bond in the total amount of \$25,000.00 or twenty-five percent (25%) of the Employer's fringe benefit contributions for the prior twelve (12) months, whichever sum is larger. The bond shall be non-cancelable during the term of this Agreement or until the Employer permanently stops doing business in the jurisdiction of the Union. The face value of the bond or any part thereof, shall be payable to the various Trust Funds conditioned upon the Employer's delinquency in making timely or full contributions, and shall include payment of service fees, auditing costs, court costs and attorney's fees which the Trust Funds incurred because of the Employer's delinquency. The Employer shall be required to place a cash bond, if not bondable. The Surety Bond shall be on a uniform bond form approved by the Trustees, and shall be written only by an insurance carrier authorized, licensed or permitted to do business in the State of Florida.

11. Liquidated Damages:

In the event the Employer fails in any manner to submit to auditing as provided in this Article, the full face amount of the Bond which the Employer posted pursuant to Section 10 of this Article shall be paid immediately to the Trustees of the various Joint Trust Funds as liquidated damages. Considering the difficulty and the uncertainty of determining the amount of any Employer's delinquency, if any, the parties agree the audit procedures are the most equitable way of determining an Employer's liability to the Joint Trust Funds. Therefore, if any Employer has kept inadequate books and records, has prevented an audit by moving out of the jurisdiction of the Union or otherwise prevents an audit from properly being conducted, the amount of the Employer's bond (\$25,000.00) shall be considered as being reasonably related to the losses and expenses of the Trustees and shall be treated as liquidated damages payable within forty-eight (48) hours after the Employer is notified of the provision of this section.

12. Upon three (3) days notice to the Employer that he or she is delinquent and that his or her workers will be withdrawn in order to enforce the fringe benefit payments under this Contract, workers withdrawn from the job to effect collection of delinquent contributions shall be paid eight (8) hours wages, Monday through Friday, for each day they are off the job until the Employer brings

his or her payments current; in that event no other Employer will be liable for the full day's wages except the delinquent Employer.

13. Trustee Authority:

The parties to this Agreement agree that it is desirable for the Boards of Trustees of the various Trust Funds referred to in this Agreement to have the discretionary authority to make good faith determinations regarding payment of benefits and interpretations of the terms of the written plan documents involved in the operation of the Trust Funds. The parties further agree that it would be more costly and burdensome for the operation of the Trust Funds to make those determinations subject to de novo review by the Courts. Therefore, the parties specifically agree that the Boards of Trustees of the various Trust Funds referred to in this Agreement have been delegated the full power and authority, in their sole discretion, to determine eligibility for benefits, to construe and interpret the terms of all written plan documents, including Trust Agreements, the Plan Documents, and the Summary Plan Descriptions, and to otherwise make decisions regarding the administration and operation of the Trust Funds.

14. The Union reserves the right to redirect from negotiated wage amounts and/or fringe benefit increases all or part thereof, to the Pension Trust Fund, Health and Welfare Trust Fund and/or the Apprenticeship and Training Trust Fund (more specifically described herein) for the purpose of maintaining the financial stability of these Funds.

ARTICLE XIV

1. The Employer agrees to check-off weekly from the wages of all Employees who have executed proper written authorizations the following sum of dues to be paid to the Union and forwarding same monthly to the Escrow Agent that the Union may designate in writing at the same time as the Employer pays his or her fringe benefit contributions. The Employer shall have no responsibility for any moneys so deducted after forwarding same to the Escrow Agent.

2. The Employer also appoints the Escrow Agent to be the Employer's Escrow Agent for receipt of all written check-off assignments required by law to be executed and received by the Employer.

3. For all work performed in the jurisdiction of South Florida Carpenters Regional Council, four percent (4%) of each Employee's gross wages [forty (40) hours maximum of Journeyman scale, or in the case of Apprentices/TL'S, forty (40) hours maximum of the Apprentice's or TL'S hourly scale].

In the event none of those persons is available for such a hearing, an alternate arbitrator shall be appointed by one of the above. Notice shall be given to the other party immediately upon the selection of an arbitrator.

C. Upon being notified of the existence of the dispute, the arbitrator named above, or the alternate, shall schedule and hold a hearing within twenty-four (24) hours after being notified of the dispute. The arbitrator shall notify the parties by the most expeditious means of the place and time he or she has chosen for the hearing. Said hearing shall be completed in one (1) session, with appropriate recesses at the arbitrator's discretion. The failure of any party or parties to attend said hearing will not delay the hearing of evidence or issuance of an award by the arbitrator.

D. The sole issue at the hearing shall be whether or not a violation of Section 1 has in fact occurred. The arbitrator shall issue his or her award in writing three (3) hours after the close of the hearing, and the award may be issued without an opinion. If either party desires an opinion, one shall be issued within fifteen (15) days, but the issuance of the opinion shall not delay compliance with, or enforcement of, the award. The arbitrator may order cessation of the violation of this Article, and other appropriate relief. Nothing in this Article XV shall preclude either party from seeking other equitable judicial relief to prevent an unauthorized work stoppage or strike.

E. Such award may be enforced by any court of competent jurisdiction upon the filing of this Agreement and all other relevant documents referred to herein above.

F. The fees and expenses of the arbitrator shall be divided equally between the moving party or parties and the party or parties respondent, however, if an opinion is issued the party requesting the opinion shall bear any cost involved.
