

§ 400.43

whether the rates and charges are reasonable based on other like operations in the port of entry area, and whether there is uniform treatment under like circumstances among zone users.

(3) The Executive Secretary will review the schedule to determine whether it contains sufficient information for users concerning the operation of the facility and a statement of rates and charges as provided in paragraph (b)(2) of this section. If the Executive Secretary determines that the schedule satisfies these requirements, the Executive Secretary will notify the zone grantee, unless there is a basis for review under paragraph (b)(5) of this section. A copy of the schedule shall be available for public inspection at the offices of the zone grantee and operator. The zone grantee shall send a copy to the Port Director, who may submit comments to the Executive Secretary.

(4) Amendments to the schedule shall be prepared and submitted in the manner described in paragraphs (b)(1) through (b)(3) of this section, and listed in the concluding section of the schedule, with dates.

(5) A zone user or prospective user showing good cause may object to the zone or subzone fee on the basis that it is not reasonable, fair and uniform, by submitting to the Executive Secretary a complaint in writing with supporting information. The Executive Secretary will review the complaint and issue a report and decision, which will be final unless appealed to the Board within 30 days. The Board or the Executive Secretary may otherwise initiate a review for cause. The factors considered in reviewing reasonableness and fairness, will include:

(i) The going-rates and charges for like operations in the area and the extra costs of operating a zone, including return on investment; and

(ii) In the case of subzones, the value of actual services rendered by the zone grantee or operator, and reasonable out-of-pocket expenses.
