

## FEDERAL CONTRACTOR VETERANS' EMPLOYMENT REPORT (VETS-100)

### WHO MUST FILE

This VETS-100 Report is to be completed by each federal contractor and subcontractor with a contract or subcontract entered into before December 1, 2003, in the amount of \$25,000 or more with any department or agency of the United States for the procurement of personal property and non-personal services (including construction), except that if such a contract or subcontract is modified on or after December 1, 2003 and the contract or subcontract as modified is for \$100,000 or more, a VETS-100A Report, and not this VETS-100 Report, is to be completed by the contractor. A VETS-100A Report is to be completed by each federal contractor and subcontractor with a contract or subcontract entered into or modified on or after December 1, 2003, in the amount of \$100,000 or more with any department or agency of the United States for the procurement of personal property and non-personal services (including construction).

### WHEN TO FILE

This annual report must be filed no later than September 30. Mail to the address pre-printed on the front of the form.

### LEGAL BASIS FOR REQUIREMENTS

Title 38, United States Code, Section 4212(d), prior to the amendments made in 2002 by the Jobs for Veterans Act (PL 107-288), provided that federal contractors covered under the Act's affirmative action provisions in section 4212(a) must report at least annually the numbers of **existing** employees who are: 1) special disabled veterans, 2) veterans of the Vietnam era, and 3) other protected veterans (that is, who served on active duty during a war or in a campaign or expedition for which a campaign badge has been authorized). For the existing employees, the numbers of veterans within these three groups are to be broken out by job category. **New hires** are to be reported over a twelve-month reporting period. The total number of veteran new hires in each of the three groups above is to be reported, along with the total number of recently separated veterans (i.e. hired within twelve months of separation). In addition, over the same twelve-month period, the total number of new hires, both veterans and non-veterans, is required to be reported, along with the minimum and maximum total employment. This reporting is required by hiring location. The Department of Labor has promulgated regulations to implement the requirements of 38 U.S.C. 4212 prior to amendment by the Jobs for Veterans Act in 2002. The regulations at 41 CFR Part 61-250 require the submission of this VETS-100 Report to comply with the requirements of 38 U.S.C. 4212(d) prior to the 2002 amendments.

*Note: A few aspects of the regulations in 41 CFR Part 61-250 will need to be revised to conform to the VETS-100 Report to be used beginning with the 2009 reporting period.*

### HOW TO SUBMIT THE VETS-100 REPORT

Single-establishment employers must file one completed form. All multi-establishment employers, i.e., those doing business at more than one hiring location, must file (A) one form covering the principal or headquarters office; (B) a separate form for each hiring location employing 50 or more persons; and (C) EITHER, (i) a separate form for each hiring location employing fewer than 50 persons, OR (ii) consolidated reports that cover hiring locations within one State that have fewer than 50 employees. Each state consolidated report must also list the name and address of the hiring locations covered by the report. Company consolidated reports such as those required by EEO-1 reporting procedures are NOT required for the VETS-100 Report. Completed reports for the headquarters location and all other hiring locations for each company should be mailed in one package to the address indicated on the front of the form.

### RECORD KEEPING

Employers must keep copies of the completed annual VETS-100 Report submitted to DOL for a period of two years.

### HOW TO PREPARE THE FORMS

Multi-establishment employers submitting hard copy reports should produce facsimile copies of the headquarters form for reporting data on each location.

**Type of Reporting Organization** Indicate the type of contractual relationship (prime contractor or subcontractor) that the organization has with the Federal Government. If the organization serves as both a prime contractor and a subcontractor on various federal contracts, check both boxes.

**Type of Form** If a reporting organization submits only one VETS-100 Report form for a single location, check the Single Establishment box. If the reporting organization submits more than one form, only one form should be checked as Multiple Establishment-Headquarters. For state consolidated forms, the number of hiring locations included in that report should be entered in the space provided. For each form, only one box should be checked within this block.

### INFORMATION ON EMPLOYEES

**Counting Veterans** Some veterans will fall into more than one of the protected veteran categories. For example, a veteran may be both a special disabled veteran and a Vietnam era veteran. In such cases, the veteran must be counted in each category. Recently separated veterans will be counted in the New Hires section of the VETS-100 Report only. In subsequent years, these veterans will no longer be considered newly separated veterans.

**Number of Employees** Select any payroll period ending between July 1 and August 31 of the current year. Provide all data for permanent full-time and part-time employees who were special disabled veterans, Vietnam-era veterans, or other protected veterans employed as of the ending date of the selected payroll period. Employees must be counted by veteran status for each of the nine occupational categories (Lines 1-9) in columns L, M, and N. The description of job categories can be found in 41 CFR 61-250.2(b)(3). Blank spaces will be considered zeros.
