

# TELECOMMUNICATIONS LOCAL SERVICES CONTRACT FOR ARKANSAS

SBC Global Services, Inc. — Contract # GS07T06BGD0002

The Greater Southwest Region awarded this Indefinite Delivery, Indefinite Quantity (IDIQ) telecommunications local services contract for areas within the State of Arkansas. The LSA has a base period of two years with three one-year options. This contract offers a wide range of voice and digital local services. These offerings include both circuit switched and dedicated transmission services, extending from a single analog line to Primary Rate Interface (PRI) services, to DSL, to point-to-point data connectivity. The contract offers substantial cost savings to federal customers as shown below.
