Pursuant to section 751(d)(2) of the Act and 19 CFR 351.222(i)(2)(i), the effective date of revocation is February 10, 2005 (*i.e.*, the fifth anniversary of the date of publication in the **Federal Register** of the notice of the AD order). The Department will notify U.S. Customs and Border Protection to discontinue suspension of liquidation and collection of cash deposits on entries of the subject merchandise entered or withdrawn from warehouse on or after February 10, 2005, the effective date of revocation of the AD order. The Department will complete any pending administrative reviews of this order and will conduct administrative reviews of subject merchandise entered prior to the effective date of revocation in response to appropriately filed requests for review.

#### SUPPLEMENTARY INFORMATION:

#### Background

Since the publication of the preliminary results of this review (*see Notice of Preliminary Results of Antidumping Duty Administrative Review: Individually Quick Frozen Red Raspberries from Chile*, 70 FR 44889 (August 4, 2005) ("Preliminary

Results")), the following events have occurred: The Department of Commerce ("the Department") invited interested parties to comment on the preliminary results of this review. No comments were received.

#### Scope of the Order

The products covered by this order are imports of individually quick frozen ("IQF") whole or broken red raspberries from Chile, with or without the addition of sugar or syrup, regardless of variety, grade, size or horticulture method (*e.g.*, organic or not), the size of the container in which packed, or the method of packing. The scope of the order excludes fresh red raspberries and block frozen red raspberries (*i.e.*, puree, straight pack, juice stock, and juice concentrate).

The merchandise subject to this order is currently classifiable under subheading 0811.20.2020 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the merchandise under the order is dispositive.

#### Period of Review

The period of review ("POR") is July 1, 2003, through June 30, 2004.

#### Final Results of the Review

These final results remain unchanged from the *Preliminary Results*. We provided an opportunity for parties to comment on our preliminary results and received no comments. Therefore, we find that the following percentage weighted-average margins exist for the period July 1, 2003, through June 30, 2004:

Exporter/manufacture	Weighted-average margin percentage
Fruticola Olmue, S.A. ... Santiago Comercio Exterior Exportaciones, Ltda..	0.09 ( <i>de minimis</i> )
Vital Berry, S.A. ....	0.00

#### Assessment Rates

The Department shall determine, and U.S. Customs and Border Protection ("CBP") shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212 (b)(1), we have calculated exporter/importer (or customer)-specific assessment rates for merchandise subject to this review. The Department will issue appraisal instructions directly to CBP within 15 days of publication of these final results of review. We will direct CBP to assess the resulting assessment rates against

the entered customs values for the subject merchandise on each of that importer's entries during the POR. For assessment purposes, we will calculate importer-specific assessment rates for the subject merchandise by aggregating the dumping duties due for all U.S. sales to each importer and dividing the amount by the total entered value of the sales to that importer during the POR.

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Act: (1) the cash deposit rates for the reviewed companies will be those established above in the "Final Results of the Review" section of this notice, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) if the exporter is not a firm covered in this review, but was covered in a previous review, or the original investigation, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a previous review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers and/or exporters shall continue to be 6.33 percent, the "all others" rate made effective by the less-than-fair-value investigation. See 67 FR 45460 (July 9, 2002).

These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

#### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification Regarding APOs

This notice also serves as the only reminder to parties subject to the administrative protective order ("APO")

of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of return/destruction of APO material or conversion to judicial protective order is hereby requested. Failure to comply with the regulation and the terms of an APO is a sanctionable violation.

This administrative review and notice are published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

**SUPPLEMENTARY INFORMATION:**

## Background

On June 3, 2005, the Department published in the **Federal Register** the preliminary results of the fifth administrative review of the antidumping duty order on SSPC from Belgium. See *Preliminary Results*. Since the *Preliminary Results*, the following events have occurred. On July 14, 2005, U&A Belgium (Respondent) requested that the Department extend the due dates for briefs until July 22, 2005, and rebuttal briefs until July 27, 2005. Based on the reasons in Respondent's letter, the Department extended the deadline for briefs until July 22, 2005, and the rebuttal briefs until July 29, 2005. Case briefs from Respondent and Allegheny Ludlum, AK Steel Corporation, Butler Armco Independent Union, United Steelworkers of America, AFL-CIO/CLC, and Zanesville Armco Independent Organization (collectively, Petitioners) were timely filed.

In the *Preliminary Results*, the Department stated that it would issue a supplemental questionnaire to Respondent requesting that it clarify a difference between the volume of sales reported in its database, and the volume and value of entries observed by the Department from U.S. Customs and Border Protection (CBP) data. The Department issued three supplemental questionnaires on this issue and received responses from Respondent on July 1, 2005, to the Department's May 27, 2005 questionnaire; August 19, 2005, to the Department's August 2, 2005 questionnaire; and September 21, 2005, and September 27, 2005, (in two parts) to the Department's September 13, 2005 questionnaire. Petitioners commented on these responses on September 28, 2005, and October 11, 2005. Three of these supplemental questionnaire responses were received after the due dates for case and rebuttal briefs. As such, on October 28, 2005, we established a briefing schedule for the issues that surfaced as a result of Respondent's questionnaire responses being submitted after the *Preliminary Results*. On November 4, 2005, and November 9, 2005, we received briefs and rebuttal briefs for the issues raised in Respondent's supplemental questionnaire responses.
