Suspension Agreements

None.

In accordance with section 351.213(b) of the regulations, an interested party as defined by section 771(9) of the Act, may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

As explained in *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 69 FR 23954 (May 6, 2003), the Department has clarified its practice with respect to the collection of final antidumping duties on imports of merchandise where intermediate firms are involved. The public should be aware of this clarification in determining whether to request an administrative review of merchandise subject to antidumping findings and orders. See also the Import Administration Web site at <http://www.ia.ita.doc.gov>.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each

request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of February 2005. If the Department does not receive, by the last day of February 2005, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from use, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: January 26, 2005.

Holly A. Kuga,

Senior Office Director, Office for Import Administration.

SUPPLEMENTARY INFORMATION:

Background

On August 19, 1993, the Department of Commerce (the Department) published an antidumping duty order on certain corrosion-resistant carbon steel flat products from Japan. See *Antidumping Duty Orders: Certain Corrosion-Resistant Carbon Steel Flat Products From Japan*, 58 FR 44163 (August 19, 1993). On October 26, 2004, Taiho requested that the Department revoke the antidumping duty order on 24 separate bushing alloy-lined corrosion-resistant carbon steel coil products from Japan through the initiation of a changed circumstances review. See section 751(b) of the Tariff Act of 1930 (the Act). Taiho also requested that the Department conduct an expedited changed circumstances review pursuant to 19 CFR 351.221(c)(3)(ii).

Taiho asserts that the domestic producers, United States Steel (U.S. Steel), and International Steel Group (ISG), do not have any interest in the continuation of the order with respect to the 24 products. The Department received a letter on November 22, 2004, on behalf of U.S. Steel stating they have no objection to the initiation of the changed circumstances review, and on December 3, 2004, received a letter on behalf of ISG, attesting to their lack of interest regarding continuation of the order with respect to the specified 24 products.

In response to Taiho's request and based on the information provided by U.S. Steel and ISG, on December 20, 2004, the Department simultaneously initiated a changed circumstances review and issued a notice of preliminary intent to revoke the order, in part (69 FR 75907). The Department provided interested parties an opportunity to comment on our preliminary intent to revoke the order, in part, with respect to the specified 24 products. We did not receive any comments. Therefore, the final results of review are not different from the preliminary results and we are revoking
