The sessions are scheduled to begin at 8 a.m. and end at 5:30 p.m. each day.

The purpose of the Board is to review rehabilitation research and development applications for scientific and technical merit and to make recommendations to the Director, Rehabilitation Research and Development Service, regarding their funding.

The meeting will be open to the public for the August 22 and August 24 sessions from 8 a.m. to 9 a.m. for the discussion of administrative matters, the general status of the program and the administrative details of the review process.
