Copies of the submission(s) may be obtained by calling (202) 720-8681.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it

displays a currently valid OMB control number.

Animal Plant and Health Inspection Service

Title: Pine Shoot Beetle Host Material from Canada.

OMB Control Number: 0579-0257.
Summary of Collection: Under the Plant Protection Act (7 U.S.C. 7701-7772), the Secretary of Agriculture is authorized to prohibit or restrict the importation, entry, or movement of plants and plant pests to prevent the introduction of plant pests into the United States or their dissemination within the United States. The Animal Plant and Health Inspection Service (APHIS) is establishing restriction on the importation of pine shoot beetle host material into the United States from Canada. Pine shoot beetle (PSB) is a pest of pine trees. It can cause damage in weak and dying trees where reproductive and immature stages of PSB occur, and in the new growth of healthy trees. PSB can damage urban ornamental trees and can cause economic losses to the timber, Christmas trees, and nursery industries.

Need and Use of the Information: APHIS will collect the information using Compliance Agreements, Written Statements, and Canadian Phytosanitary Certificates to protect the United States from the introduction of pine shoot beetle and other plant diseases.

Description of Respondents: Farms; Business or other for profit; Individuals or household.

Number of Respondents: 2,340.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 79.
