SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-51146; File No. SR-FICC-2004-13]

Self-Regulatory Organizations; Fixed Income Clearing Corporation; Notice of Filing of a Proposed Rule Change To Amend the Rules of the Mortgage-Backed Securities Division To Impose Fines on Members for Violations of Minimum Financial Standards and To Modify the Penalty Assessment Process for Failures of Members To Submit Requisite Financial Reports on a Timely Basis

February 7, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on June 24, 2004, the Fixed Income Clearing Corporation ("FICC") filed with the Securities and Exchange Commission ("Commission") and on February 2, 2005, amended the proposed rule change described in Items I, II, and III below, which items have been prepared primarily by FICC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested parties.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FICC is seeking to amend the rules of its Mortgage-Backed Securities Division ("MBSD") to impose fines on members for violations of minimum financial

standards and to modify the penalty assessment process for failures of members to submit requisite financial reports on a timely basis.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FICC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FICC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.²

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The proposed rule change would amend the rules of the MBSD by imposing fines on members for violations of minimum financial standards and by modifying the penalty assessment process for failures of members to submit requisite financial reports on a timely basis.

1. Violations of Minimum Financial Standards

The rules of the MBSD require clearing members to meet and maintain certain minimum financial standards at all times. While the majority of MBSD members consistently satisfy their minimum financial requirements, occasionally members do breach these requirements and create undue risk for FICC and its members.

Currently, the MBSD rules do not impose specific margin consequences for falling out of compliance with minimum financial requirements but allow the Membership and Risk Management Committee in its discretion to impose conditions which can include an increase to the participant's minimum required deposits to the Participants Fund.

Under the proposed rule change, a violation of a minimum financial requirement by an MBSD clearing participant would result in the imposition on such member of a margin premium equal to the greater of (a) 25 percent of the member's unadjusted³ Participants Fund requirement or (b) \$1,000,000, to continue for ninety calendar days after the later to occur of

(i) the member's return to compliance with applicable minimum financial standards or (ii) FICC's discovery of the applicable violation.⁴ In addition, such violation would result in (1) a report of the violation to the FICC Membership and Risk Management Committee at its next regularly scheduled meeting or sooner if deemed appropriate by FICC and (2) the placement of such member on FICC's "watch list" subjecting it to frequent and thorough monitoring. None of these consequences would preclude FICC from imposing any other margin consequences permitted by the MBSD rules.

2. Failure To Submit Requisite Financial Reports on a Timely Basis

Certain members that are required to provide monthly or quarterly financial data to FICC at times have violated MBSD's membership requirements by not timely providing such financial data. In such instances, management contacts each offending member and follows up with a letter.

Failure to timely receive required information creates risk to FICC and as a result hinders FICC's ability to appropriately assess the financial condition of such members. To encourage timely submission of required financial data, FICC has established a mechanism to fine delinquent participants.⁵ FICC is now proposing two additional measures to enforce timely filing of financial information.

First, FICC proposes to subject delinquent participants to a more stringent Participants Fund requirement. Specifically, the proposed rule filing would automatically impose a margin premium equal to the greater of (1) 25 percent of the member's unadjusted Participants Fund requirement or (2) \$1,000,000. The margin premium would be applied until appropriate financial data is submitted to FICC and reviewed for compliance purposes. In addition, delinquent members would be precluded from taking back any excess Participants Fund collateral to which they might ordinarily be entitled.

Second, participants that fail to submit requisite financial reports on a timely basis would also automatically be placed on FICC's "watch list" and

⁴ The required clearing fund deposit premium that will be assessed for violation of applicable minimum financial standards will be effective beginning on the day of the violation but will begin to be assessed on the date FICC becomes aware of the violation.

subject to frequent and thorough monitoring.

FICC believes that the proposed rule change is consistent with the requirements of Section 17A of the Act⁶ and the rules and regulations thereunder applicable to FICC because it assures the safeguarding of securities and funds which are in the custody or control of FICC by encouraging participants to maintain their minimum financial standards and to submit their required financial reports on a timely basis. As a result, FICC's ability to maintain a financially sound participant base should be enhanced.

(B) Self-Regulatory Organization's Statement on Burden on Competition

FICC does not believe that the proposed rule change will have any impact or impose any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed rule change have not yet been solicited or received. FICC will notify the Commission of any written comments received by FICC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within thirty-five days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to ninety days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve such proposed rule change or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-51176; File No. SR-ISE-2005-03]

Self-Regulatory Organizations; International Securities Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change and Amendment No. 1 Relating to the Calculation of Securities Indexes Underlying Options

February 9, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 5, 2005, the International Securities Exchange, Inc. ("Exchange" or "ISE") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" rule change pursuant to Section 19(b)(3)(A) of the Act,³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. On February 4, 2005, the Exchange filed Amendment No. 1 to the proposal.⁵ The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE proposes to amend its rules to clarify the determination of the source of securities price information used to calculate values of certain securities indexes underlying options traded on the Exchange. The text of the rule change is below. Proposed new language is *italicized*.⁶

Rule 2009. Terms of Index Options Contracts

³ 15 U.S.C. 78s(b)(3)(A).

⁴ 17 CFR 240.19b-4(f)(6).

⁵ In Amendment No. 1, the Exchange modified the purpose section of the proposed rule change to reflect that the proposal is intended to clarify ISE rules pertaining to the source of pricing information for securities that comprise any particular securities index on which options are traded on the Exchange. Additionally, the Exchange withdrew its request for the waiver of the 30-day operative period, as the Exchange does not currently trade options on any indexes that may be subject to this rule.

⁶ The proposed rule language is based on a Chicago Board Options Exchange, Inc. ("CBOE") rule change recently approved by the Commission. See Securities Exchange Act Release No. 50269 (August 26, 2004), 69 FR 53755 (September 2, 2004).
