The Commission, having examined the amended complaint for a formal enforcement proceeding filed by the complainant, and having found that the amended complaint complies with the requirements for institution of a formal enforcement proceeding, determined to institute formal enforcement proceedings to determine whether the two respondents listed below are in violation of the Commission's limited exclusion order and/or cease and desist order issued in the investigation, and what if any enforcement measures are appropriate.

The following were named as parties to the formal enforcement proceeding: (1) Complainant Eaton Corporation (2) respondent ZF Friedrichshafen AG, (3) respondent ArvinMeritor, Inc.; and (4) a Commission investigative attorney to be designated by the Director, Office of Unfair Import Investigations.

The Commission, having examined the request for an advisory opinion filed by the respondents, and having found that the request complies with the requirements for institution of advisory opinion proceedings, determined to institute advisory opinion proceedings to determine whether the importation of the respondents' redesigned FreedomLine transmission system would violate the limited exclusion order issued in the above-captioned investigation. The following were named as parties to the advisory opinion proceedings: (1) Complainant Eaton Corporation (2) respondent ZF Friedrichshafen AG, (3) respondent

ArvinMeritor, Inc.; and (4) a Commission investigative attorney to be designated by the Director, Office of Unfair Import Investigations.
