i. *Deadline for filing comments, protests, and motions to intervene*: July 1, 2005.

All documents (original and eight copies) should be filed with: Magalie R. Salas, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. Comments, protests, and interventions may be filed electronically via the Internet in lieu of paper; *see* 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the documents on that resource agency.

j. *Description of Application*: As described in the notice issued February 7, 2005, USGenNE, the Town, BFPC, and VHPA sought Commission approval to transfer the license for the Bellows Falls Project from USGenNE to the Town and BFPC as co-licensees and for approval of a financing plan under Standard Article 5 whereby VHPA would, at closing, take title to project property and transfer it to the Town. This transfer was requested as an alternative, for this project only, to the transfer from USGenNE to TC Hydro NE of this project and four others that was approved by order issued on January 24, 2005, but not, at that time, consummated. The Applicants now report that TC Hydro NE purchased the Bellows Falls Project from USGenNE on April 1, 2005, and request that TC

Hydro NE be substituted for USGenNE as the transferor in the current proceeding.
