

of the transmitting or receiving entity. Furthermore, since the national level EAS is solely for the President's use, its proper operation must be assured. This information collection is being revised by eliminating the one-time requirement to purchase a computer chip to voluntarily update the event and location codes. This requirement was approved by the Office of Management and Budget (OMB) on 1/21/03. After this 60 day comment period, the Commission will submit a Request for OMB Review (OMB 83i submission) to obtain approval of this revised collection.

OMB Control No.: 3060-0645.

Title: Section 17.4, Antenna Registration.

Form No.: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit; not-for-profit institutions, and state, local or tribal government.

Number of Respondents: 25,600.

Estimated Time Per Response: .25-1.2 hours (average).

Frequency of Response: On occasion reporting requirement, third party disclosure requirement, and recordkeeping requirement.

Total Annual Burden: 40,329 hours.

Total Annual Cost: \$3,200,000.

Privacy Act Impact Assessment: N/A.

Needs and Uses: The owner of any proposed or existing antenna structure that requires notice of proposed construction to the Federal Aviation Administration (FAA) must register the structure with the Commission. This includes those structures used as part of stations licensed by the Commission for the transmission of radio energy, or to be used as part of a cable television head end system. Structure owners are required to provide specific information under Part 17. The data is used by FCC staff during investigations related to air safety or radio frequency interference.

After the 60 day comment period has ended, the Commission will submit a Request for OMB Review (OMB 83i submission) to obtain approval of this extended (no change in requirements) collection.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission for Extension Under Delegated Authority

September 21, 2005.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act (PRA) of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written Paperwork Reduction Act (PRA) comments should be submitted on or before December 5, 2005. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: You may submit your all Paperwork Reduction Act (PRA) comments by e-mail or U.S. postal mail. To submit your comments by e-mail send them to PRA@fcc.gov. To submit your comments by U.S. mail, mark them to the attention of Cathy Williams, Federal Communications Commission, Room 1-C823, 445 12th Street, SW., Washington, DC 20554.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection(s) send an e-mail to PRA@fcc.gov or contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0550.

Title: Local Franchising Authority Certification.

Form Number: FCC Form 328.

Type of Review: Extension of a currently approved collection.

Respondents: State, local or Tribal government.

Number of Respondents: 20.

Estimated Time per Response: 30 minutes.

Frequency of Response: One time reporting requirement; third party disclosure requirement.

Total Annual Burden: 10 hours.

Total Annual Cost: None.

Privacy Impact Assessment: No impact(s).

Needs and Uses: On May 3, 1993, the Commission released a Report and Order and Further Notice of Proposed Rulemaking. In the Matter of Implementation of Sections of the Cable Television Consumer Protection and Competition Act of 1992, Rate Regulation, MM Docket No. 92-266, FCC 93-177. Among other things, the Report and Order implemented Section 3(a) of the Cable Television Consumer and Protection and Competition Act of 1992 wherein a local franchise authority (LFA) must file with the Commission, a written certification when it seeks to regulate basic service cable rates. Subsequently, the Commission developed FCC Form 328 to provide a standardized, simple form for LFAs' to use when requesting certification. The data derived from FCC 328 filings is used by Commission staff to ensure that an LFA has met the criteria specified in Section 3(a) of the Cable Television Consumer Protection and Competition Act of 1992 for regulating basic service rates.
