ACTION: Final rule.

SUMMARY: Base (1% annual chance) Flood Elevations (BFEs) and modified BFEs are made final for the communities listed below. The BFEs and modified BFEs are the basis for the floodplain management measures that each community is required either to adopt or to show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

EFFECTIVE DATES: The date of issuance of the Flood Insurance Rate Map (FIRM) showing BFEs and modified BFEs for each community. This date may be obtained by contacting the office where the maps are available for inspection as indicated on the table below.

ADDRESSES: The final BFEs for each community are available for inspection at the office of the Chief Executive Officer of each community. The respective addresses are listed in the table below.

any appeals resulting from this notification.

This final rule is issued in accordance with Section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR part 67.

Regulatory Flexibility Act. The Mitigation Division Director of the Emergency Preparedness and Response Directorate certifies that this rule is exempt from the requirements of the Regulatory Flexibility Act because final or modified BFEs are required by the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and are required to establish and maintain community eligibility in the NFIP. No regulatory flexibility analysis has been prepared.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of Section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

48 CFR Part 1802

RIN AD13

Head of Contracting Activity (HCA) Change for NASA Shared Services Center (NSSC)

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: This final rule revises the NASA FAR Supplement (NFS) by amending the definition of "Contracting activity" and "Head of the contracting activity (HCA)" consistent with the mission of the NASA Shared Services Center (NSSC) which is to provide selected services in support of Human Resources, Procurement, Financial Management and Information Technology operations across the Agency.

EFFECTIVE DATE: September 6, 2005.

FOR FURTHER INFORMATION CONTACT: Sheryl Goddard, NASA, Office of Procurement, Program Operations Division; (703) 553-2519; e-mail: Sheryl.Goddard@nasa.gov.

SUPPLEMENTARY INFORMATION:

A. Background

On May 13, 2005, the Assistant Administrator for Procurement

approved a deviation to NFS 1802.101 to designate the Executive Director for the NSSC as head of the contracting activity for all contracts that directly support the NSSC. This final rule implements that deviation.

B. Regulatory Flexibility Act

This final rule does not constitute a significant revision within the meaning of FAR 1.501 and Public Law 98-577, and publication for public comment is not required. However, NASA will consider comments from small entities concerning the affected NFS Part 1802 in accordance with 5 U.S.C. 610.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes do not impose recordkeeping or information collection requirements which require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
