SUPPLEMENTARY INFORMATION:

Background

The WSWG mission is to: (1) Identify, compile, and characterize best security practices and policies for drinking water and wastewater utilities and provide an approach for considering and adopting these practices and policies at a utility level; (2) consider mechanisms to provide recognition and incentives that facilitate a broad and receptive response

among the water sector to implement these best security practices and policies and make recommendations as appropriate; (3) consider mechanisms to measure the extent of implementation of these best security practices and policies, identify the impediments to their implementation, and make recommendations as appropriate. The WSWG is comprised of sixteen members from water and wastewater utilities, public health, academia, state regulators, and environmental and community interests. Technical experts from the Environmental Protection Agency, the Department of Homeland Security, the Centers for Disease Control and Prevention, and the Department of Defense are also actively supporting the WSWG.

Closed and Open Parts of the Meeting

The WSWG is a working group of the NDWAC; it is not a Federal advisory committee and therefore not subject to the same public disclosure laws that govern Federal advisory committees. The Group can enter into closed session as necessary to provide an opportunity to discuss security-sensitive information relating to specific water sector vulnerabilities and security tactics. Currently, the WSWG does not anticipate closing any parts of the January meeting to the public. However, the Group reserves the right to enter into closed session, if necessary, late in the afternoon of January 25, 2005, immediately before lunch on January 26, 2005, and late in the day on January 27, 2005. If closed sessions are needed, opportunities for public comment will be provided before the closed sessions begin.

If there is a closed meeting session, only WSWG members, Federal resource personnel, facilitation support contractors and outside experts identified by the facilitation support contractors will attend the closed meetings. A general summary of the topics discussed during closed meetings and the individuals present will be included with the summary of the open portions of the WSWG meeting.

Public Comment

An opportunity for public comment will be provided during the open part of the WSWG meeting. Oral statements will be limited to five minutes, and it is preferred that only one person present the statement on behalf of a group or organization. Written comments may be provided at the meeting or may be sent, by mail, to Marc Santora, Designated Federal Officer for the WSWG, at the mail or e-mail address listed in the **FOR**

FURTHER INFORMATION CONTACT section of this notice.
