ACTION: Notice of pending NRC action to submit an information collection request to OMB and solicitation of public comment.

SUMMARY: The NRC is preparing a submittal to OMB for review of continued approval of information collections under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

Information pertaining to the requirement to be submitted:

1. *The Title of the Information Collection:* 10 CFR part 20—Standards for Protection Against Radiation.
2. *Current OMB Approval Number:* 3150-0014.

3. *How Often the Collection is Required:* Annually for most reports and at license termination for reports dealing with decommissioning.

4. *Who is Required or Asked to Report:* NRC licensees, including those requesting license termination.

5. *The Estimated Number of Annual Respondents:* 4,512.

6. *The Number of Hours Needed Annually to Complete the Requirement or Request:* 128,669 hours (4,909 hours for reporting [9.68 hours per response] plus 123,760 hours for recordkeeping [27.43 hours per recordkeeper]).

7. *Abstract:* 10 CFR part 20 establishes standards for protection against ionizing radiation resulting from activities conducted under licenses issued by the NRC. These standards require the establishment of radiation protection programs, maintenance of radiation records, recording of radiation received by workers, reporting of incidents which could cause exposure to radiation, submittal of an annual report to NRC of the results of individual monitoring, and submittal of license termination information. These mandatory requirements are needed to protect occupationally exposed individuals from undue risks of excessive exposure to ionizing radiation and to protect the health and safety of the public.

Submit, by May 2, 2005, comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the burden estimate accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?

Applicant's Representations

1. Applicant was organized as an Ohio corporation in 1987 by the H.R.H. Family Trust (the "Trust"), which owned all of Applicant's outstanding stock. The Trust beneficiaries were certain members of the Harry R. Horvitz and Lois U. Horvitz family. In 1998, Applicant was reorganized as a single member Ohio limited liability company, and in January 2003, ownership was transferred equally to the three children of Harry R. Horvitz and Lois U. Horvitz.

2. Applicant operates as the "family office" for Lois U. Horvitz and (i) the lineal descendants of Lois and her now-deceased husband Harry R. Horvitz, (ii) the spouses of those lineal descendants, (iii) the sister of one such spouse and (iv) the mother and two children of that sister (collectively the "Family"). In addition to the Family, Applicant's other clients consist of (i) trusts, partnerships, limited liability companies, corporations, and other entities that both (A) are wholly-owned or controlled by members of the Family and (B) were created either for the sole benefit of Family members or for the benefit of both Family members and charitable organizations and (ii) foundations created by members of the Family (collectively "Clients").

3. Applicant represents that the "family office" services it provides to Clients include: developing asset allocation strategies; serving as the general partner to three partnerships wholly owned by the Family, which hold investments in private equity funds and hedge funds managed by third parties; recommending investment advisers and monitoring and recommending termination of such advisers; managing cash; preparing financial and tax reports; developing tax planning strategies; implementing estate planning activities; bill paying; travel planning; household staff supervision and payroll administration; and administering grant and scholarship programs for foundations established by the Family.

receives from Clients only cover its direct costs and overhead costs.

5. Applicant represents that it does not hold itself out to the public as an investment adviser. Applicant represents that it is not listed in any local telephone book as an investment adviser and is listed in the building directory merely by its name, which does not connote investment advisory activities. Applicant represents that it does not engage in any advertising, attend any investment management-related conferences as a vendor, or conduct any marketing activities whatsoever.

6. Applicant represents that it has no public retail or institutional clients, and has never solicited, and does not plan to solicit or accept clients from the retail or institutional investing public. Applicant further represents that its sole purpose is to serve as a "family office" for the Family, and at no time will it seek or accept investment advisory clients other than Clients.

Applicant's Legal Analysis
